Math: Making Sets

A set is a group of things that belong together. The Making Sets Plan helps your child understand that a number tells us how many there are in a group. Let your child make sets with different objects and have them count!
Making Sets - Rocks

**MATERIALS:** 5 rocks or other small objects, paper plate

- Say, I will say a number. You put the set or group of things on the plate.
- Put one rock on the paper plate. **Here is a set of one!**
- **Your turn! Make a set of two!**
- Have your child make sets up to five.
Making Sets - Blocks

**MATERIALS:** 5 blocks or other small objects, paper plate

- Say, *I will say a number. You put the set or group of things on the plate.*
- Put one block on the paper plate. *Here is a set of one!*
- *Your turn! Make a set of two!*
- Have your child make sets up to five.
Making Sets - Crayons

MATERIALS: 5 crayons or other small objects, paper plate

- Say, I will say a number. You put the set or group of things on the paper plate. 
- Put one crayon on the paper plate. Here is a set of one!
- Your turn! Make a set of two!
- Have your child make sets up to five.
Making Sets - Buttons

MATERIALS: 5 buttons or other small objects, paper plate

- Say, I will say a number. You put the set or group of things on the paper plate.
- Put one button on the paper plate. Here is a set of one!
- Your turn! Make a set of two!
